Important Notice: Handling and using a loaded firearm can be dangerous. You and/or your child could be seriously injured or killed from the accidental or improper discharge of a firearm. The hunter education course conducted by the Alaska Department of Fish and Game's Hunter Information and Training Program requires the handling, operation, and firing of firearms. The hunter education course also requires the use of live ammunition.

I understand that this signed and dated REGISTRATION AND CONSENT FORM is required for participation in the hunter education course and, by my signature, consent to my participation and/or the participation of the named minor child, in the hunter education course. I consent to emergency medical treatment for myself and/or for the named minor child if, in the opinion of the attending licensed physician, exercising due care, that such treatment is prudent and necessary for the health and safety of the minor named herein.

I have been informed and understand that myself or the student named above will be tested on the course topics that include proper handling of firearms, wildlife conservation and management, and hunter responsibility. It is my understanding that the instructor makes the final decision whether to pass or fail the student. I also understand that the instructor may require parental attendance for students younger than 16 years of age.

STEP 5: PLEASE CHECK THE APPROPRIATE BOX THEN SIGN AND DATE BELOW:
